Dance in the aisles at the Peacock

The Legacy Motown Revue with Sound Express will rock the house at the Peacock at 7pm on Saturday, April 15th. The Legacy has been entertaining audiences for close to 20 years. Since touring with Bill Pinckney's Original Drifters, as music director and pianist, Band Leader Stan Stigall has dreamed of starting a tribute to the legendary groups that he grew up listening to! Since the passing of his friend, Bill Pinckney, this desire has grown stronger...thus the inception of THE LEGACY! Stan has put together fantastic musicians to compliment the 4 front men that dance and sing the night away.

Reserve your tickets on our website, peacockperformingarts.center, at the box office 10am-2pm Mon-Friday 828.389.2787 or at Tiger's on the Square in Hayesville. Tickets are \$30 for adults and \$20 for students.

This show will sell out fast, so reserve your evening of entertainment today.

Saturday, April 15 is the opening day of "A Blooming Affair at Hamilton Gardens" - a six week "celebration" of the bloom season that will be taking place at the Gardens through May 20. To mark this occasion, an "Opening Day Ceremony" will be held at 10:00 that morning at the entrance to the Gardens. You are cordially invited to join us for this event.
