**Put your business in
the home of our new
residents**

When new residents move into Clay County, they stop into the Chamber to get acquainted with the area.

We provide a Welcome Bag loaded with information (our Chamber Guide, Phone Books, Maps, etc.) and "goodies" from our members. This is a great opportunity for you to promote your business. You can drop your items off anytime, Mon-Fri 9am-5pm.

It's Spring Time! Time to open your well cover and inspect your wellhead, pipes, plumbing, and pressure tank once per year for leaks, and potential contaminant sources such as animal habitation. Be sure to check the seal around any openings to prevent additional contamination and weather damage. Call Miller Well Drilling at 828-837-2997

**Café Portofino Sand Bar
